### Rebate Program Overview

Heber Light & Power is pleased to offer the Clear Peaks Residential Energy Efficiency Rebate Program (“Program”). The Program offers rebates for residential customers who purchase qualified appliances, HVAC equipment, and smart thermostats. The Program also offers free disposal of old refrigerators and simple home energy audits to evaluate and/or suggest energy efficiency projects or devices. The Program is offered only to residential customers served by Heber Light & Power.

The Program is a demand-side management tool to promote and encourage energy conservation and load shaping with verifiable and achievable results. There is a limited amount of funding for the Program for each calendar year and the Program will run each year until the funds are depleted. The Program may be modified, changed or terminated at any time.

Participating customers are required to submit specific information on applications for rebates.

**Availability.** Rebates are available on a first-come, first-serve basis. Customers are to refer to the Program website at [www.heberpower.com](http://www.heberpower.com) for the latest information on the Program. Applications must include all required

information. The Customer is responsible for submitting a complete application. Incomplete applications will be returned with a reason for the denial and reapplication procedures, if available.

**Eligibility.** Customers must have an account in their name and be in good standing with the company. The Customer is allowed only one rebate for each appliance/item purchased from each category unless otherwise noted. Refrigerators and air conditioners qualifying for a rebate must be new and installed to replace an existing appliance. Ceiling fans, room air-conditioners, factory-installed furnace blower motors, and smart thermostats are not required to replace existing appliances/devices to be eligible for a rebate.

**Rebates/Incentives.** The chart in Figure 1 shows the qualifying appliances and rebates that are part of this program.

**Proof of Purchase.** A dated invoice or sales receipt itemizing the purchased appliance must accompany each rebate application. The invoice or sales receipt must indicate the manufacturer, brand, model number, purchase price, date of purchase, and sales tax amount paid.

**Approval and Verification.** Heber Light & Power reserves the right to verify sales transactions and have reasonable access to the customer’s residence to inspect the installation.

**FIGURE 1:  
QUALIFYING APPLIANCES AND AVAILABLE REBATES**

<b>Product</b>	<b>Type/Energy Rating</b>	<b>Rebate</b>
Refrigerator	Energy Star - larger than 10 cu ft	\$50
Room Air Conditioner	Energy Star	\$30
Ceiling Fan	Energy Star	\$20
Heat Pump Water Heater electric to electric	Energy Star (electric only)	\$1,000
Central Air Conditioner	≥ 18 SEER	\$500
Central Air Conditioner	≥ 16 SEER	\$300
Furnace Blower Motor (ECM)	Upgraded fan in existing furnace	\$100
Furnace Blower Motor (ECM)	Factory-installed	\$50
Air Source Heat Pump	≥ 18 SEER	\$500
Air Source Heat Pump	≥ 16 SEER	\$300
Ductless Mini-Split Heat Pump	≥ 17 SEER and ≥ 9.5 HSPF	\$300
Smart Thermostat	Dominion Energy Qualifying List <a href="https://www.thermwise.com/home/Smart%20Thermostat.pdf">https://www.thermwise.com/home/Smart%20Thermostat.pdf</a>	\$50
Refrigerator Recycling (free)	Refrigerator must meet qualifications	none

**Application Form.** The application form must be filled out completely, truthfully and accurately. The Customer must sign and submit the application along with a copy of the dated invoice or sales receipt within ninety (90) days of the appliance purchase date. By signing the rebate application form, the Customer certifies that they purchased and installed the appliance(s) identified on the application form at the Customer's location. The Customer agrees that all the information is true, accurate and has conformed to all the terms and conditions for the program. Note that the refrigerator recycling program has its own application form.

**Rebate Process.** Rebates will be processed on a first-come, first-serve basis until the funds are depleted for the year. The Customer should allow up to four (4) weeks from receipt of the complete application to process the rebate. Rebate checks will be sent to the address listed on the Customer's account. Customers

may contact Heber Light & Power at (435) 654-1581 to inquire about the status of the rebate.

**Warranties.** Heber Light & Power makes no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the appliance or services provided by a retailer, manufacturer, vendor, or contractor. Heber Light & Power does not guarantee that the new appliance will actually consume less energy or that a Customer's electric bill will decrease. The Customer should contact the retailer or manufacturer regarding appliance performance and warranties. ■

clean energy. clear choice.
